- **Old Business:**
 - Crack Sealing and Pothole patching on 505th and 460th (shared with Perham) is not completed yet.
 - Gravel and chloride projects; 505th from end of the tar to 450th gravel is done chloride is not, 410th from Hwy 10 to 470th the gravel and chloride is done, chloride is done on 450th. Will complete other chloride projects after we receive some rain.
 - Milled the humps on Wavy Drive, the road is better.
 - The window replacement is done and Josh completed the inside trim work.
- **New Business**
 - Dean Schultz and Brian Alberts attended the meeting to discuss concerns with potential leakage from the Landfill and subsequent water contamination. Dean has been calling different agencies and checking water testing and results. He would like the State or County to run an 81 elements test. Dean is asking the Township to pursue answers from the County and the Township attorney.
 - Tom reported that someone has hauled some gravel onto the Homestead shared road. He will go back to check it out and will report back to Bob.
 - 470th is not in good shape, it has been reported that traffic is heavy and speed is an issue. Discussed ordering yellow traffic speed signs to see if that will help.
 - Bob discussed hiring E&M Ditch Sprayer to spray all of the townships ditches as needed. Pete made a motion to proceed; Bob seconded the motion. Motion carried.
 - Pete made a motion to pay all bills presented; Bob seconded the motion. Motion carried.
- **Adjournment:**
