

Pine Lake Township News

January 2025

Township Officials

Our regular monthly meeting is held at 7:00 PM on the 1st Wednesday of each month at the Pine Lake town hall near the intersection of U.S. 10 and County 53. You also may contact any of the following township officials:

Chairman: Bob Sieling – 218-346-2626

Supervisor: Al Starzl – 612-743-7626

Supervisor: Pete Snortum – 218-457-2048

Treasurer: Ken Guck – 346-3456

Clerk: Susan Schmid – 218-298-0671

Twp Elections and Voting

Pine Lake Township will hold their annual town board election at the Town Hall **on Tuesday, March 10th, 2026**. Voting hours are from 5 PM until 8 PM. The positions open for election are for one full term supervisor currently held by Bob Sieling and the Clerk's position currently held by Susan Schmid is a two-year term. **Filing for town board positions can be done at the home of the clerk. The filing periods begin on December 31st and end January 17th. The filing fee is \$2.00.**

The current town board would like to take this opportunity to thank those present at the annual meeting for their attendance and interest in local government. We consider ourselves fortunate to represent the people of Pine Lake Township.

Annual Township Meeting

The annual township meeting will be held at the town hall on March 10th, 2026, following the township election (8:10 PM). It is vital that residents of the township attend the annual meeting to set the township portion of the 2027 tax levy. It also gives township residents an opportunity to share any concerns they may have with the Board and other township residents.

2025 Activity

Road Improvements

Gravel was added to various roads where needed and Calcium chloride was also applied to some roads. Work was done on 450th.

A total amount of \$3,000 was donated to various qualifying groups. To be eligible to receive a donation from the township, the organization must send a representative to the annual meeting to make an official request. Only those entities that qualify by Statute will be considered.

Other areas that have received a good portion of our township dollars are fire protection and emergency services, grading roads, mowing ditches, snow plowing and sanding, dust guard and road stabilizer and miscellaneous road repairs.

A complete breakdown of our township income and expenses will be presented at the annual township meeting in March.

Annual Township Levy

At the 2025 Annual meeting township residents agreed to set the 2026 levy as follows:

General Fund:	\$10,000
Road and Bridge Fund:	\$245,000
Fire and Rescue Fund:	\$75,000

If you would like to have input in setting the township portion of the annual levy, please attend the annual township meetings.

EMS rising costs and alternate levy options will be discussed at the annual meeting.

Gophers and Beaver

Pine Lake Township currently pays a bounty on pocket gophers and beavers trapped within the township. Pocket gopher bounty is currently set at \$3.75. Trappers must complete and sign a form indicating the section of the township in which the gophers were trapped. Forms can be obtained from the township clerk. Beaver bounty is currently set at \$25. Beaver bounty is paid only when the township supervisors request that beaver be trapped in a particular area. Residents of the township that are aware of beavers affecting township roads are encouraged to contact a township supervisor.

Noxious Weeds

If your property has a noxious weed problem, you will receive a notice from Otter Tail County. Failure to comply with the notice is a misdemeanor and upon conviction, a fine of \$1,000 and imprisonment of 90 days is possible. In addition, failure to comply means that the weed inspector serving the notice may hire the control or eradication work done and the costs may be entered as a tax lien upon the land. For more information on noxious weeds in Minnesota refer to the document on the Otter Tail County website at www.co.otter-tail.mn.us/land/forms/NoxiousPlantsMinnesota.pdf.

Road Ditches

Township officials would like to remind all township residents to refrain from planting crops or trees in ditches on town road right-of-way. Please keep our right-of-way clear. Under no circumstances is anyone allowed to dump anything in ditches or right-of-way.

Driveways -- Clearing Snow

It is also unlawful for anyone to deposit any snow or ice in a public road right-of-way or to otherwise obstruct a public road. Minn. Stat. §§ 160.27, subd. 5(a)(1); 169.42, subd. Depositing snow or ice in a road also increases snowplowing costs, creates a potential public safety hazard, and could damage equipment.

Approach/Culvert Standards

In 2020 the Board developed and passed a set of standards for residents installing approach/culverts. The township has a form that needs to be filled out and submitted with a \$100 application fee. Then a Board member will inspect the property and make recommendations to follow; a \$500 completion deposit will be placed with the Township. The \$500 deposit will be returned after the culvert is completed and approved. Approach application can be found on our website.

Projects for 2026

Township supervisors will conduct a comprehensive road inspection this spring. Please report to any of the Supervisors concerns with township roads. Funds are planned each year for these expenditures and are set aside to accomplish road maintenance and repairs without further impacting township taxes. The board will discuss at the annual meeting suggested road improvements.
